# Skatelite®

Originally developed in 1943 as an industrial tooling material, Richlite has expanded its versatile material into other industries such as action sports, food service, architecture and music. Smooth, fast, durable and aesthetically pleasing, Skatelite has become the choice indoor and outdoor ramp surface by the world's top skaters, BMX riders, and action sport camps and competitions.

## Benefits:

- High impact resistance
- Excellent water resistance
- Smooth, fast, consistent surfaces
- Easy to install and replace
- Proven in market for nearly 20 years

## Applications:

- Competition ramps – i.e. X-Games™
- Backyard ramps
- Municipality/Public skate parks
- Private skate parks
- Action sports camps – i.e. Woodward Camp™
- Corporate sponsorship 'on-panel' printing available
